Create the network

Provide a platform exclusive to members of the overarching college community to buy and sell

Keep it safe

Restrict membership to college students
Maintain a review system to hold both buyers and sellers accountable

Make it simple

- A “set it and forget it” approach to shopping:
- Tags allow the buyers to search for what they want without having to scroll through listings
 - Sellers have the buyers brought to them without having to worry about reposting or marketing

Easy to Pay (in progress)

Vendyr provides a payment method for your trade if you do not want to pay in person.
